

PROJEKT RUNŁEJ – POLISH FEST 2016

A folked-up twist on the hit TV show “Project Runway” is HERE in time for Polish Fest 2016 – cleverly dubbed “Projekt Runłej.” (See what we did there?)

Team up with one other individual and see if you have the eye that it takes to properly assemble a Polish folk costume.

That is, given a time limit of just 2 minutes, it’s a race to see who can correctly dress their model (which we will provide you with).

Correctly? Well, of course! The trick is to select the *right* pieces from amongst the several types of Polish folk costumes lying in disarray in a pile before you.

Don’t worry – before the timer starts we’ll provide with a short guide with the key tid-bits of what you should look for so that you’re able to pick the right article of clothing from amongst the pile of clothes through which you’ll have to sort.

Bragging rights for winning? Only the fact that you’ll be winners of the FIRST-EVER Projekt Runłej.

To sweeten the deal, each individual of the winning team also receives a \$25 voucher to spend at Polish Fest 2016 – good for the Local Store with Polish-inspired items and knick knacks, for the scrumptious food available at the Ethnic Kitchen, or even for the Bar (which may come in handy especially during Pub Night on the evening of Saturday, June 4).

Now that you’re convinced, sign up electronically using the accompanying Registration Form. Good luck!

N.B. Projekt Runłej will run a total of 3 times on Saturday, June 4 – once during each of the 5 pm, 6 pm, and 7 pm shows. Registered participants will receive a confirmation email upon receipt of their registration form, and a subsequent confirmation email in the couple of days leading up to Polish Fest in order to confirm their selection for their desired time slot.
